**GAUTENG PROVINCE**  
EDUCATION  
REPUBLIC OF SOUTH AFRICA

**GGT 2030**  
GROWING GAUTENG TOGETHER

Dear Teacher/Practitioner

Welcome to the training of the Grade R teachers/practitioners. The Gauteng Department of Education (GDE) has prioritized Early Childhood Development as its Strategic Goal 1. This is to ensure that we can lay a solid foundation and seamless transitioning of learners to Grade 1.

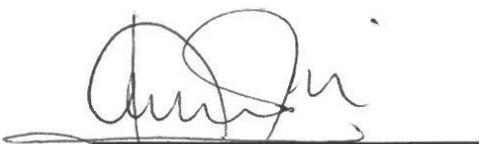

The Grade R Mathematics and Language Improvement Project has been developed to provide the much-needed classroom based support for the Grade R teachers/practitioners in Gauteng. It is about classroom practices with exciting techniques and methodology most appropriate for Grade R Teaching and Learning. This is in response to a study that reported that 65% of children across South Africa have not mastered the skills required to be able to succeed in Literacy and Numeracy when entering Grade 1. This project is intended to support the Grade R practitioners/teachers to address this challenge.

The Department's expectation is that you are ready to learn and be a more empowered Grade R teacher/practitioner. Your commitment to the training process and thereafter the implementation of lessons learnt in your classroom will contribute to the improvement of Grade R learner readiness for Grade 1.

We trust that this intervention will help enhance your potential, innovation and creativity as you lay an important foundation for learning of our children. This project would not have been possible without the support of our partners. The GDE is grateful for the support of the GEDT, Zenex Foundation and USAID who contributed to this initiative.

I trust you will learn a great deal from this training programme and improve the learning experience of the young children in your care.

Yours Sincerely

MR EDWARD MOSUWE  
HEAD OF DEPARTMENT

Look out for the following:

- ★ a list of what you need to prepare for each two-week story cycle
- ★ a two-week cycle that maps out activities for every day
- ★ a continuous assessment page which is based on the term's activities and can be used to record each learner's progress during the term
- ★ assessment rubrics
- ★ photocopyable activity pages, little books and letter templates.

## Resources

For example, the **s** box will contain objects whose names begin with the sound /s/. Use the word lists to help you choose items for the boxes. Label each letter box using the letter templates. It is a good idea to trace the templates onto felt, foam or sandpaper so that learners can feel the shape of the letter.

## Teaching Home Language in the Grade R daily programme

The Home Language focus time includes whole class and small group activities every day. Activities are organised in different ways:

- ★ The teacher leads from the front of the class.
- ★ The teacher sits with a small group to guide and engage carefully with learners.
- ★ The teacher explains an activity and asks learners to work more independently in groups.

The two-week cycle on the next page maps out activities for every day, for two weeks. The activities are designed to build on and reinforce the language of the story, and develop important literacy concepts within a meaningful story context. The structure is repeated for each two-week cycle. This routine becomes familiar and benefits both teachers and learners. Teachers become confident to teach in this way and learners feel secure when they know what is expected of them.

# ★ Are you my mother?

## Story

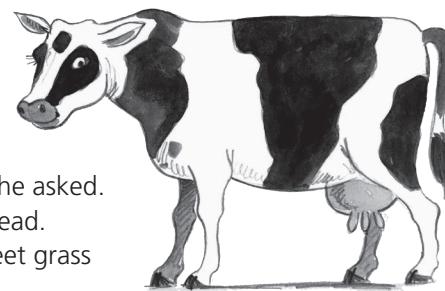

Once upon a time there was a mother bird who built a beautiful nest in a big tree. She laid an egg in her nest and then she sat there for many days to keep it warm. Baby Bird was growing inside the egg.

After a while, Mother Bird felt hungry. She wanted to go and find food to eat so she flew away from the nest. Now what do you think happened while she was away? Baby Bird was still very small, but was ready to come out of the egg. He tapped the inside of the egg shell with his beak and made a little hole. He pushed his beak through the hole, the egg broke, and Baby Bird hatched out of the egg! He was so happy and he shook his little wings. Baby Bird looked around for his mother and said: "Where is my mother?" He looked up and down and all around, but he could not see her.

"I will go and find my mother," said Baby Bird. He stepped right out of the nest and do you know what happened? He fell straight down to the ground! Of course, Baby Bird couldn't fly yet – he was still too small. He was a strong and brave little bird, so he stood up, shook himself and went off to find his mother.

Along the way he saw a cow. "Cow, are you my mother?" he asked. "Moooo," said the cow. "No, I am not your mother, but I will give you some milk."

"No thank you," said Baby Bird, "I must find my mother," he said and walked on.

Soon he met a goat. "Goat, are you my mother?" he asked.

"Meh, meh," said the goat and shook her hairy head.

"No, I am not your mother, but come and eat sweet grass with me."

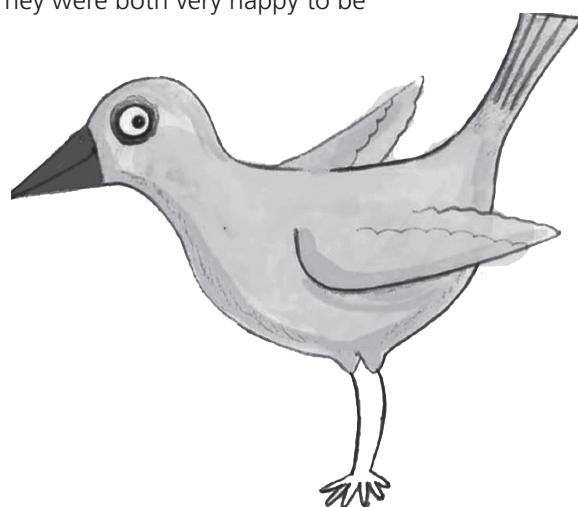

"No thank you," said Baby Bird, "I must find my mother."

And he walked on again.

Baby Bird began to feel sad. He thought: "Am I ever going to find my mother?" Just then Gogo was walking down the path with her basket and she heard a little voice saying: "Tweet-tweet, tweet-tweet." She didn't know that Baby Bird was asking where his mother was.

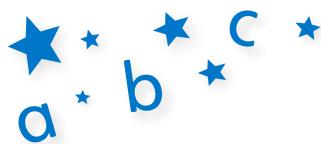

Now what do you think Gogo did? Well, she picked up Baby Bird and put him in her basket. "You look lost," said Gogo. "I know where your mother is." Gogo found the nest and very carefully put Baby Bird back. Then she sat down on a rock and watched. Can you guess what happened next?

Mother Bird had found some worms and she flew back to the nest with a long worm in her beak. Baby Bird had never seen her before because he had been inside the egg. He called excitedly: "Are you my mother? I know you are my mother!" And Mother Bird said: "Yes, my dear one, I am." Baby Bird happily opened his little beak, and gobbled up the worm. Mother Bird and Baby Bird settled down together in the nest. They were both very happy to be back together.

**And that is the end of the story.**

## Song

Baby Bird stepped out of the nest, out of the nest, out of the nest  
Baby Bird stepped out of the nest  
To go and find his mother.

Mrs Cow are you my mother, you my mother, you my mother?  
Mrs Cow are you my mother?  
Where can she be?

I'm not your mother but here is some milk, here is some milk, here is some milk  
I'm not your mother but here is some milk,  
Where can she be?

Mrs Goat are you my mother, you my mother, you my mother  
Mrs Goat are you my mother?  
Where can she be?

I'm not your mother but come eat grass, come eat grass, come eat grass  
I'm not your mother but come eat grass,  
Where can she be?

Gogo put me back in my nest, back in my nest, back in my nest  
Gogo put me back in my nest,  
To wait for my mother.

Baby Bird here I come, here I come, here I come,  
Baby Bird here I come,  
With a fat juicy worm!

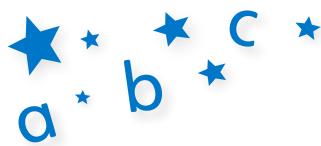

(Sing to the tune of "Here we go round the mulberry bush" or use your own tune.)

# ★ Waiting for baby

## Story

My name is Thabi and I am six years old. Very soon I am going to have a baby brother or sister and I feel very excited about this! Early this morning Mommy came to my room and said: "Thabi, our baby has grown big and strong and is ready to come now. I'm going to the hospital today and I will be away on Monday, Tuesday, Wednesday, Thursday, and back on Friday."

Thabi's mother gets ready for the hospital. "Bye bye, sweetheart," she says. "I'll be home very soon, with a big surprise for all of us." The baby has grown so big inside her mother's tummy that Thabi can't get her arms around her body to hug her like she could before.

The taxi is hooting outside the house and it is time for her mother to leave. Thabi holds onto her blanket and starts to cry. She feels sad so her father lifts her up on his shoulders. She loves being so high up off the ground.

Thabi only has to wait for five days: Monday, Tuesday, Wednesday, Thursday, Friday – but to her it feels like a long, long time. Thabi asks her father many questions about the new baby. Her father has an idea. "Why don't you write Mommy a letter? You can tell her how much you miss her and ask her more questions about the baby." And Thabi says: "Okay Daddy, will you help me, please?"

After school, Thabi's father helps her to write the letter to her mother.

"Dear Mommy

*I love you and I miss you! Daddy says you and the baby will be home on Friday. I'm glad it will be the weekend. There is no school on Saturday and Sunday, so I can play with our baby all day long and wrap it in my blanket. Is our baby a boy or a girl? Will it look like me? When will our baby start to walk and talk?*

*Love from  
Thabi (your big baby)"*

It is Friday and the big day has arrived. Thabi is so excited, she gets up very early to wait for her mother and the baby to come home. Thabi hears her mother at the front door, but she keeps very quiet. She wants to surprise her.

But Thabi is in for a much bigger surprise. Her mother has come home with twins! Thabi has a sister and a brother!

**And that is the end of the story.**

- Story: *Waiting for baby*
- Puppets: Thabi, Thabi's mother, Thabi's father, twins, a calendar
- Props: Thabi's blanket, a letter from Thabi (a piece of paper and pencil), a calendar, a tie, two dolls (or blankets wrapped around something to look like babies)

## Week 1 Day 1

### Whole class activities

Say the rhyme *Two eyes to see* to bring learners to the mat for story time.

### Storytelling and building vocabulary

#### 1 Before you tell the story

- 1.1 Tell learners the title of the story and introduce the characters using the puppets.
- 1.2 Relate the story to learners' lives by asking: "How many people are in your family? Do you have a baby brother or sister? Do you know any twins?"
- 1.3 Say: "Before we begin, I want to tell you the meaning of some new words which we will find in the story." Discuss the keywords from the vocabulary list, and show learners an object or a picture or do an action to show them what a word means. For example: Ask learners to show you how they look when they are sad, happy, excited and surprised.

#### 2 While you tell the story

- 2.1 Tell the story in a lively way and use different voices. Do actions and make use of the puppets and props.
- 2.2 Ask learners to predict what happens next in the story and involve them through open-ended questions, such as: "On what day will Thabi's mom come home? Why did Thabi want to cry? What do you think Thabi wrote in the letter to her mom? What do you think the surprise was?"

#### 3 After you tell the story

- 3.1 Ask learners: "What did you like about the story? What didn't you like? What was your best part? What questions do you have about the story? What do you like to do when you are waiting for something?"

### Introducing a sound from the story

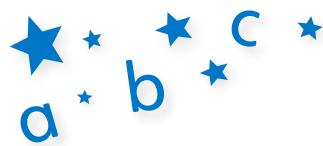

- 1 Ask learners to sit on the mat and listen carefully to you. Say these words from the story: "futsi, lifikile, ufuna. Can you hear the focus sound: futsi, lifikile, ufuna? Yes, you are right! They all have the sound /f/."
- 2 "Listen carefully, here are some more words with /f/: fahla, fahla, futsa, sifuba, lifulegi, lufudvu." (Emphasise the focus sound as you say these words.)
- 3 Say the sound /f/ clearly and tell learners to watch your mouth carefully.
- 4 Ask learners to say the sound /f/: "f-f-f". Make this fun: Say it softly, loudly, to the wall, to the ceiling and to each other.

### Small group activities

Explain that learners will be working in small groups each day. Explain and show how each activity is done and explain the daily rotation. Explain the tidy-up process.

## Week 1 Day 2

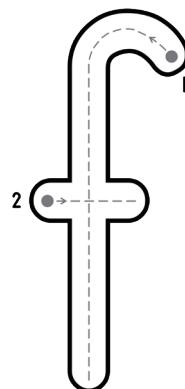

### Whole class activities

#### Storytelling and singing

- 1 Begin by reminding learners of the meaning of words that you introduced on Day 1.
- 2 Retell the story using the puppets. Ask questions as you tell the story. Encourage learners to predict what will happen next.
- 3 Tell learners you are going to teach them a new song to go with the story.
- 4 Say a few lines of the song clearly and slowly, and then ask learners to join in and sing together with you. It may be difficult for learners to remember all the words, so teach the song in parts.
- 5 Have pictures or props or do actions to help learners understand the language of the song. Ask learners if they know any other lullabies or sleeping songs that they can share with the class. Have fun singing in more than one language.

### Forming the letter

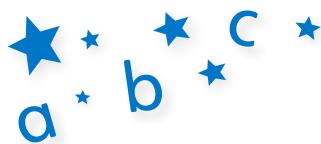

- 1 Remind learners of the focus sound. Ask learners if anyone's name starts with /f/ or if they can think of any other words that start with the sound /f/.
- 2 Teach learners an action associated with the sound. For example: Learners blink one eye while the other one is opened (**fica**).
- 3 Show learners how to write the letter **f**. Praise their attempts, then write a large letter on the board or in the air while saying the following: "Start at the dot, go over and all the way down. Lift and cross in the middle."
- 4 Let learners practise the letter formation in the air, on the mat, on each other's backs or on their hands. They can also try using their own body to make the letter.
- 5 Once you have modelled how to write the letter, go outside and encourage learners to use a stick to write the letter in the sand and walk on it.

#### You will need:

- Big sequence pictures
- Objects or pictures with the same focus sound

#### Stella says:

These are useful questions to ask about each picture:

- "Who can you see?" (characters)
- "What is he/she/it doing?" (verbs and actions)
- "What else can you see?" (looking again)
- "Where is the ...?" (naming places/position)
- "Why do you think ..." (creative thinking, expressing opinions)

## Week 1 Day 4

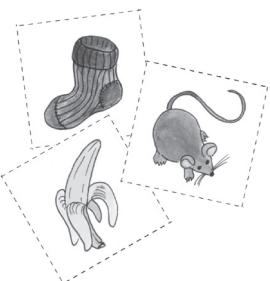

### Whole class activities

#### Sequencing pictures

- 1 Sing the song again.
- 2 Introduce new words from the vocabulary list.
- 3 Choose one of the sequence pictures and hold it up. Ask learners what they see, then talk about the picture in detail.

- 5 After talking about all the pictures, ask learners: "*Are the pictures in the correct order?*"
- 6 Ask learners to point out the picture for the beginning of the story. Work together to arrange the sequence of the pictures so the story makes sense.
- 7 Keep learners actively involved in this process. Ask questions like: "*What happened next? Who can remember the next part of the story?*"
- 8 When the pictures are in the correct order, invite a few learners to retell the story in the correct sequence.

#### Listening for focus sounds

- 3 Say the name of each picture or object slowly, while emphasising the focus sound.
- 4 Ask learners to say which two objects or pictures have the same focus sound. Learners holding these pictures or objects must move and stand next to each other. Continue with three or four more picture cards or objects.
- 5 Once learners are familiar with this game, try the following variation: Make sure you have enough objects or pictures so that you can give each learner one. Explain to learners that they must find another learner whose object or picture has the same focus sound and sit together on the mat.

- 4 Learners must use some of their playdough to roll a ball and then flatten it to make a round shape for the face. Encourage learners to "read" the emoji and make a face with playdough to match the feeling emoji using the materials on the table. They can then swap the emoji with another learner to make a different facial expression.

# ★ The beanie nest

## Story

It was a cold day in autumn and Wendy and her mom were looking out of the window, watching the wind blowing in the trees. "Please can I go and play outside?" Wendy asked her mom. "Wendy, the wind is blowing. You must dress warmly if you want to go outside," said her mom.

Wendy put on her warmest jacket and off she went. Just as she was going out of the door her mom said: "Here, take your beanie to keep your head and your ears warm."

Wendy ran outside into the cold wind. She looked up at the trees and noticed that some trees had lost most of their leaves.

Suddenly the strong wind whipped her beanie right off her head. "Oh dear! My beanie has gone! I can't catch it!" cried Wendy as she ran after it. But the wind blew harder and the beanie flew further and further away until it disappeared.

Wendy ran back home and told her mom what had happened. "Mommy, a gust of wind blew so hard, it took my beanie right off my head and now I can't find it! I tried running after it, but it blew over the trees." Wendy's mom said: "It's a pity that your beanie is lost, but it's not your fault, Wendy. That beanie was getting too small for you and maybe someone will find it who can use it."

The weather got colder and colder and soon it was winter. After a few months, Wendy noticed that there were new green leaves on the trees and she could feel that the weather was getting warmer. It was spring and winter was over for another year. Soon Wendy would be wearing her slip-slops and sunhat and playing outside as much as she wanted to.

One warm spring morning Wendy and her mom decided to visit some friends. What a surprise they got when they came to a tall tree. There, high up, was Wendy's beanie and sitting inside was a mommy bird. She was making a little nest for her eggs.

"Look!" said Wendy's mom. "Your beanie is being put to good use and will make a warm nest when the little chicks hatch!" Wendy and her mom laughed as they walked on. Wendy couldn't wait to tell her friend about the beanie nest.

**And that is the end of the story.**

#### Blending and segmenting (syllables)

- 1 Ask learners to sit on the mat. Say one of the words from the list of multisyllabic words and model how to break it into syllables, for example: **bu | si | ka**.
- 2 Ask learners to face a friend and do high fives for each syllable: **bu** (high five) **si** (high five) **ka** (high five).
- 3 Say other multisyllabic words from the story while learners do high fives for each syllable.
- 4 Encourage learners to count the number of syllables in the words (for example: "busika" has three syllables).

#### You will need:

- Big sequence pictures
- Photocopied and folded little book for each learner

## Week 2 Day 1

### Whole class activities

#### More sequencing pictures

- 1 Begin with learners sitting on the mat. Choose learners to stand in front of the class, each holding one of the colour sequence pictures (not in the correct order).
- 2 Ask learners if the pictures are in the correct order. Ask them to point out the picture which should be at the beginning of the story.
- 3 Together as a group, ask learners who are holding the pictures to move around until the story makes sense. Ask questions such as: "Who can remember what happened next?"
- 4 Once you have sequenced the story, learners must move to their tables.
- 5 Give each learner a little book. Encourage them to look at the cover and read the title of the story with them.
- 6 Take learners on a picture walk through the little book, helping them to notice that the pictures in the book are the same as the sequence pictures.
- 7 If there is time, learners can "read" their little book to a partner in the class. Encourage learners to take the books home to read with their families.
- 8 Encourage learners to take the books home to read with their families.

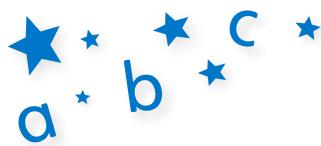

#### Introducing a sound from the story

- 1 Ask learners to sit on the mat and listen carefully to you. Say these words from the story: "bavumelana, volo, ngekuyovakashela. Can you hear the focus sound: ba**v**umelana, **v**olo, ngekuyo**v**akashela? Yes, you are right! They all have the sound /**v**/."
- 2 "Listen carefully, here are some more words with /**v**/: aka, livivane, sivalo, vula, ivesiti." (Emphasise the focus sound as you say these words.)
- 3 Say the sound /**v**/ clearly and tell learners to watch your mouth carefully.
- 4 Ask learners to say the sound /**v**/: "**v-v-v**". Make this fun: Say it softly, loudly, to the wall, to the ceiling and to each other.

# ★ Tortoise and his shell

## Story

Tommy the tortoise lived in a field all by himself. Every day he would stand at the edge of the long grass where he could see and hear the other animals running about and having fun. Tommy was sad. He had just one wish – he wished he could run as fast as the other animals. One morning Tommy was in his usual place nibbling crunchy, juicy grass. “I think my shell is too heavy,” he thought, “and that’s why I can’t run fast. Maybe if I crawl out of my heavy shell and leave it here, I will be able to run as fast as the other animals.”

And so that’s just what he did. Tommy the tortoise wriggled and pushed until he could crawl out of his shell. When his shell was off, he could feel the tall grasses tickling his soft skin and the warm sun shining on his back. Tommy ran off happily calling: “Look at me! Look at me! Now I can also run fast.”

After a short while Tommy stopped, he was hot. He wasn’t used to running like this and his legs felt tired. Tommy didn’t like the feeling of the hot sun shining right onto his skin. It felt like the sunlight was burning the soft skin on his back.

Tommy felt upset. He didn’t have his shell to protect him anymore. “I think I’ll stop and rest in the shade of this tree until I feel cool again,” he thought. He rested there until he felt better and ready to run again.

After Tommy had rested, he ran off along the path. It wasn’t long before he heard a swishing noise in the sky above him. Tommy looked up and saw an eagle. “Oh no!” he cried. “That eagle will eat me and I don’t have my shell to protect me!” Tommy saw a tree nearby with a hole in its trunk. He quickly hid in the hole and waited for the eagle to fly away.

As Tommy crept out of the hole in the tree, he looked up at the sky and saw dark clouds. Suddenly he heard a loud clap of thunder – boom! Then he felt something cold and wet splash onto his bare back. It was raining! “I wish I had my shell on my back to protect me,” he said as he ran back to find his shell.

By the time he found his shell, the sun was going down and it was getting darker. Tommy felt unhappy. He was scared and he was cold. And so Tommy crawled back into his strong, warm shell. “I don’t care if I can’t run fast,” he thought. “I am a tortoise. I like being warm. I like being safe. I am happy to be me!”

And to this day, tortoises cannot take off their shells.

**And that is the end of the story.**

## Song

I'm a tortoise and I want to run so fast! [clap! clap!]  
I'm a tortoise and I want to run so fast! [clap! clap!]  
If I take off my shell, I can do very well.  
I'm a tortoise and I want to run so fast. [clap! clap!]

Oh dear! I feel the sun is burning me! [clap! clap!]  
Oh dear! I see an eagle chasing me! [clap! clap!]  
Now it's raining and I'm wet, and I'm not at my home yet.  
So, I think I'll put my shell back onto me. [clap! clap!]

I'm a tortoise and I'm happy to be me. [clap! clap!]  
I'm a tortoise and I'm happy to be me. [clap! clap!]  
I'm a tortoise, can't you see? And my shell's protecting me.  
I'm a tortoise and I'm happy to be me! [clap! clap!]

During the week, once learners know the song, they can swap their names in the last verse. For example: I'm Asanda and I'm happy to be me!

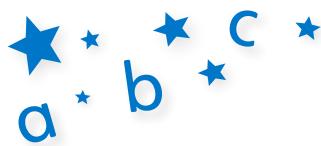

(Sing to the tune of "If you're happy and you know it, clap your hands ..." or use your own tune.)

- 1.3 Say: "*Before we begin, I want to tell you the meaning of some new words which we will find in the story.*" Discuss keywords from the vocabulary list and show learners objects to help them understand what words mean. For example: To explain the word "protect", you could ask learners if they have ever felt rain on their body or felt the sun burn their skin. If they don't have shells, what do they use to protect themselves? (jacket, umbrella, hat).

#### 2 While you tell the story

- 2.1 Tell the story in a lively way and use different voices. Do actions and make use of the puppets and props.

- 4 Once you have discussed each picture, stick it on the board so learners can see it. Make sure the pictures are not in sequence at this stage of the activity.
- 5 After talking about all the pictures, ask learners: "*Are the pictures in the correct order?*"
- 6 Ask learners to point out the picture for the beginning of the story. Work together to arrange the sequence of the pictures so the story makes sense.
- 7 Keep learners actively involved in this process. Ask questions like: "*What happened next? Who can remember the next part of the story?*"
- 8 When the pictures are in the correct order, invite a few learners to retell the story in the correct sequence.

#### Listening for focus sounds

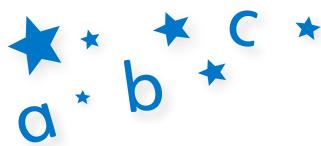

- 1 Put some objects from the letter boxes into a bag.
- 2 Learners sit in a circle while music is played and the bag is passed around. When the music stops, the learner who has the bag takes an object, says what it is and what sound they hear at the beginning. The game can continue until everyone gets a turn.
- 3 At the end, groups of learners who have objects that start with the same sound, stand up and put their objects back into the correct letter boxes.

## Week 2 Day 2

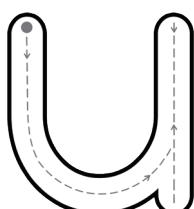

### Whole class activities

#### Shared reading – Big Book

- 1 Encourage learners to look at the cover picture and talk about what they see and recognise.
- 2 Read the title of the story to the class. Point to each word as you read. Read it again and ask learners to read with you.

## Week 2 Day 5

### Whole class activities

#### Make, draw and write

- 1 Begin by talking about the tortoise from the story. In the beginning of the story, Tommy didn't want his shell, but at the end of the story he realised that his shell was very useful and made him unique and special. He was proud of his shell.
- 2 Talk about something that makes you special and unique. (Think of physical characteristics such as long or curly hair, being short or tall, talents such as being able to play sport or sing well, and personality characteristics such as being a brave or a kind person.)
- 3 Now point to the names of learners written on the paper. Begin with your name and ask learners what they think makes you special. Write down their words and read to the class. For example: "*Miss de Vries is very funny and kind and she makes us happy.*"
- 4 Now look at the next name on the list. Ask learners whose name it is; hopefully each learner will be able to identify their own name. Ask learners in the class to think of things that make each learner special.
- 5 Make a sentence with the words the learners give you and write it next to each learner's name. Add your own words to ensure that each learner feels their special qualities are acknowledged. Read each sentence back to the class, pointing to each word.
- 6 Stick the list on the wall. Learners will soon be "reading" the words that other learners chose to describe them.

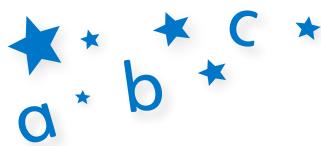

#### Blending and segmenting (syllables)

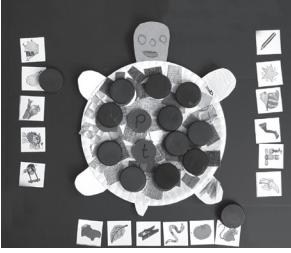

- 1 Ask learners to sit on the mat. Say one of the words from the list of multisyllabic words and model how to break it into syllables, for example: **lu | fu | dvu**.
- 2 Ask learners to march for each syllable: **lu** (one step) **fu** (one step) **dvu** (one step). Give some learners shakers or drums to shake or tap for each syllable.
- 3 Say other multisyllabic words from the story while learners march for each syllable. Encourage learners to count the number of syllables in the words (for example: "lufudvu" has two syllables).

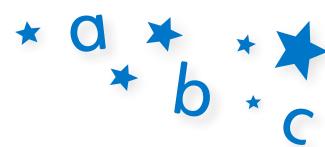

#### Small group activities

Remind learners about the small group activities, the rules for each activity and the tidy-up process.

## Story

Once upon a time there were three bears: Father Bear who was very big, Baby Bear who was very small and Mother Bear who was not very big and not very small – she was middle-sized. The three bears lived in a little house in the forest.

Every day the bears ate porridge for breakfast. One day Father Bear said in his deep Father Bear voice: "Our porridge is too hot. We can go and walk in the forest while it is getting cool." So, the three bears went out for a walk in the forest. At the same time, somebody else was walking in the forest – a little girl with golden hair. Do you know her name? It was Goldilocks. She was called Goldilocks because her locks of hair were the colour of gold.

Goldilocks saw the bears' house. She walked up the path and knocked on the door. "Knock-knock-knock!" There was no answer. She peeped in through the window – it looked very nice inside. So, do you know what Goldilocks did? She walked right into the bears' house! Goldilocks saw the porridge on the table. She was very hungry. First, she tasted Father Bear's porridge in the big bowl, but she did not like it because it was too salty. Then she tasted Mother Bear's porridge in the middle-sized bowl, but she did not like it at all because it was too sweet. Next, she tasted Baby Bear's porridge in the small bowl. "Mmm," she said, "I like this porridge, it is just right!" And she ate all Baby Bear's porridge.

Goldilocks was tired now, and she wanted to sleep. Goldilocks looked for a bed to sleep in. She found the bedroom and there she saw three beds. Father Bear's bed was very big. Mother Bear's bed was middle-sized and Baby Bear's bed was very small.

Goldilocks got onto Father Bear's big bed, but it was too hard. Next, Goldilocks got onto Mother Bear's middle-sized bed, but it was too soft. Then Goldilocks got onto Baby Bear's bed. She lay down and pulled the blanket up and said: "I like this bed, it is just right!"

Goldilocks closed her eyes and went to sleep. While Goldilocks was asleep, the three bears came home. They were hungry. Father Bear looked at his bowl of porridge and said in his deep voice: "Who's been eating my porridge?" Mother Bear looked at her porridge and she said crossly: "Who's been eating my porridge?" Baby Bear looked at his porridge. He was very cross and he said: "Who's been eating my porridge?" Then he said: "It's all gone!"

The bears went into the bedroom. Father Bear looked at his bed and said: "Who's been sleeping in my bed?" Mother Bear looked at her bed and said: "Who's been sleeping in my bed?" Baby Bear looked at his bed and said: "Who is sleeping in my bed?" He looked again and cried: "There she is!"

Goldilocks got such a fright! She jumped out of bed and ran away as fast as she could. The three bears never saw Goldilocks again.

***And that is the end of the story.***

*The Goldilocks story offers a wonderful opportunity to act out different voices: a big, deep voice for Father Bear; a middle-sized voice for Mother Bear and a squeaky, high voice for Baby Bear. You may find there are learners in your class who know this story well. Because the story is built on repetition, even those who are new to the story will quickly pick up the lines. Encourage them to say the words with you, or to repeat them after you have said the lines. Encourage learners to use the voices of different characters.*

## Rhyme

Goldilocks went for a walk,  
And what do you think she saw?  
She found a house, but no one was there, and so she opened the door.  
Pa's porridge was hot; Ma's porridge was sweet;  
Baby's porridge was just right.  
"I like the taste! Yum yum!" she said, and so she ate it all.

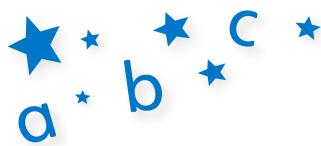

Teach learners the difference between a song and a rhyme. You can sing the words of a song and you say the words in a rhyme. Singing a song or saying a rhyme is a good way to get the learners' attention after break or noisy activities.
