GROWING GAUTENG TOGETHER

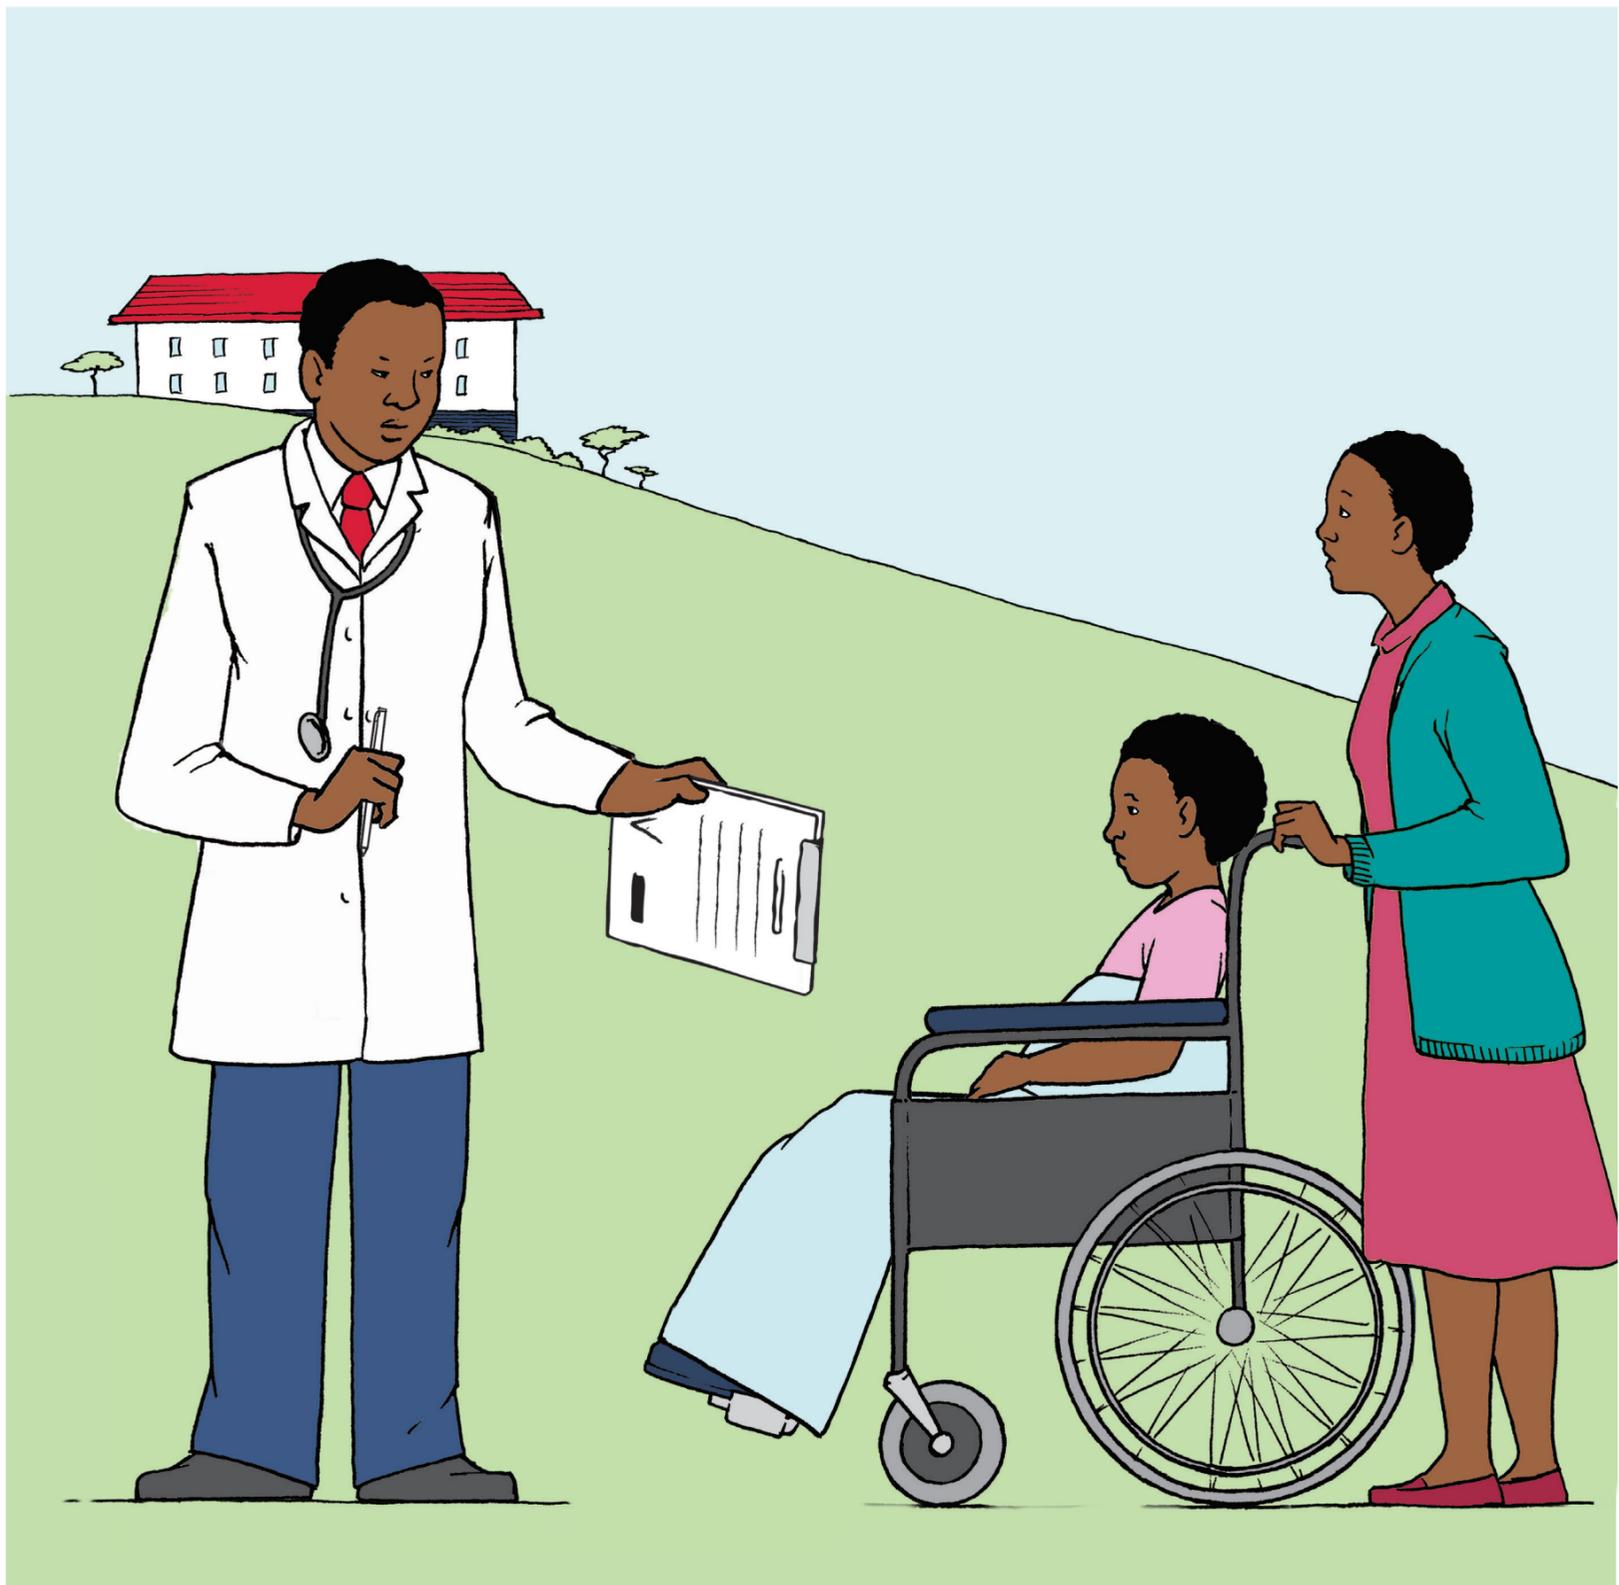

My name is Zanele Situ
and I love to play sports
for my country, South
Africa. This is my story.

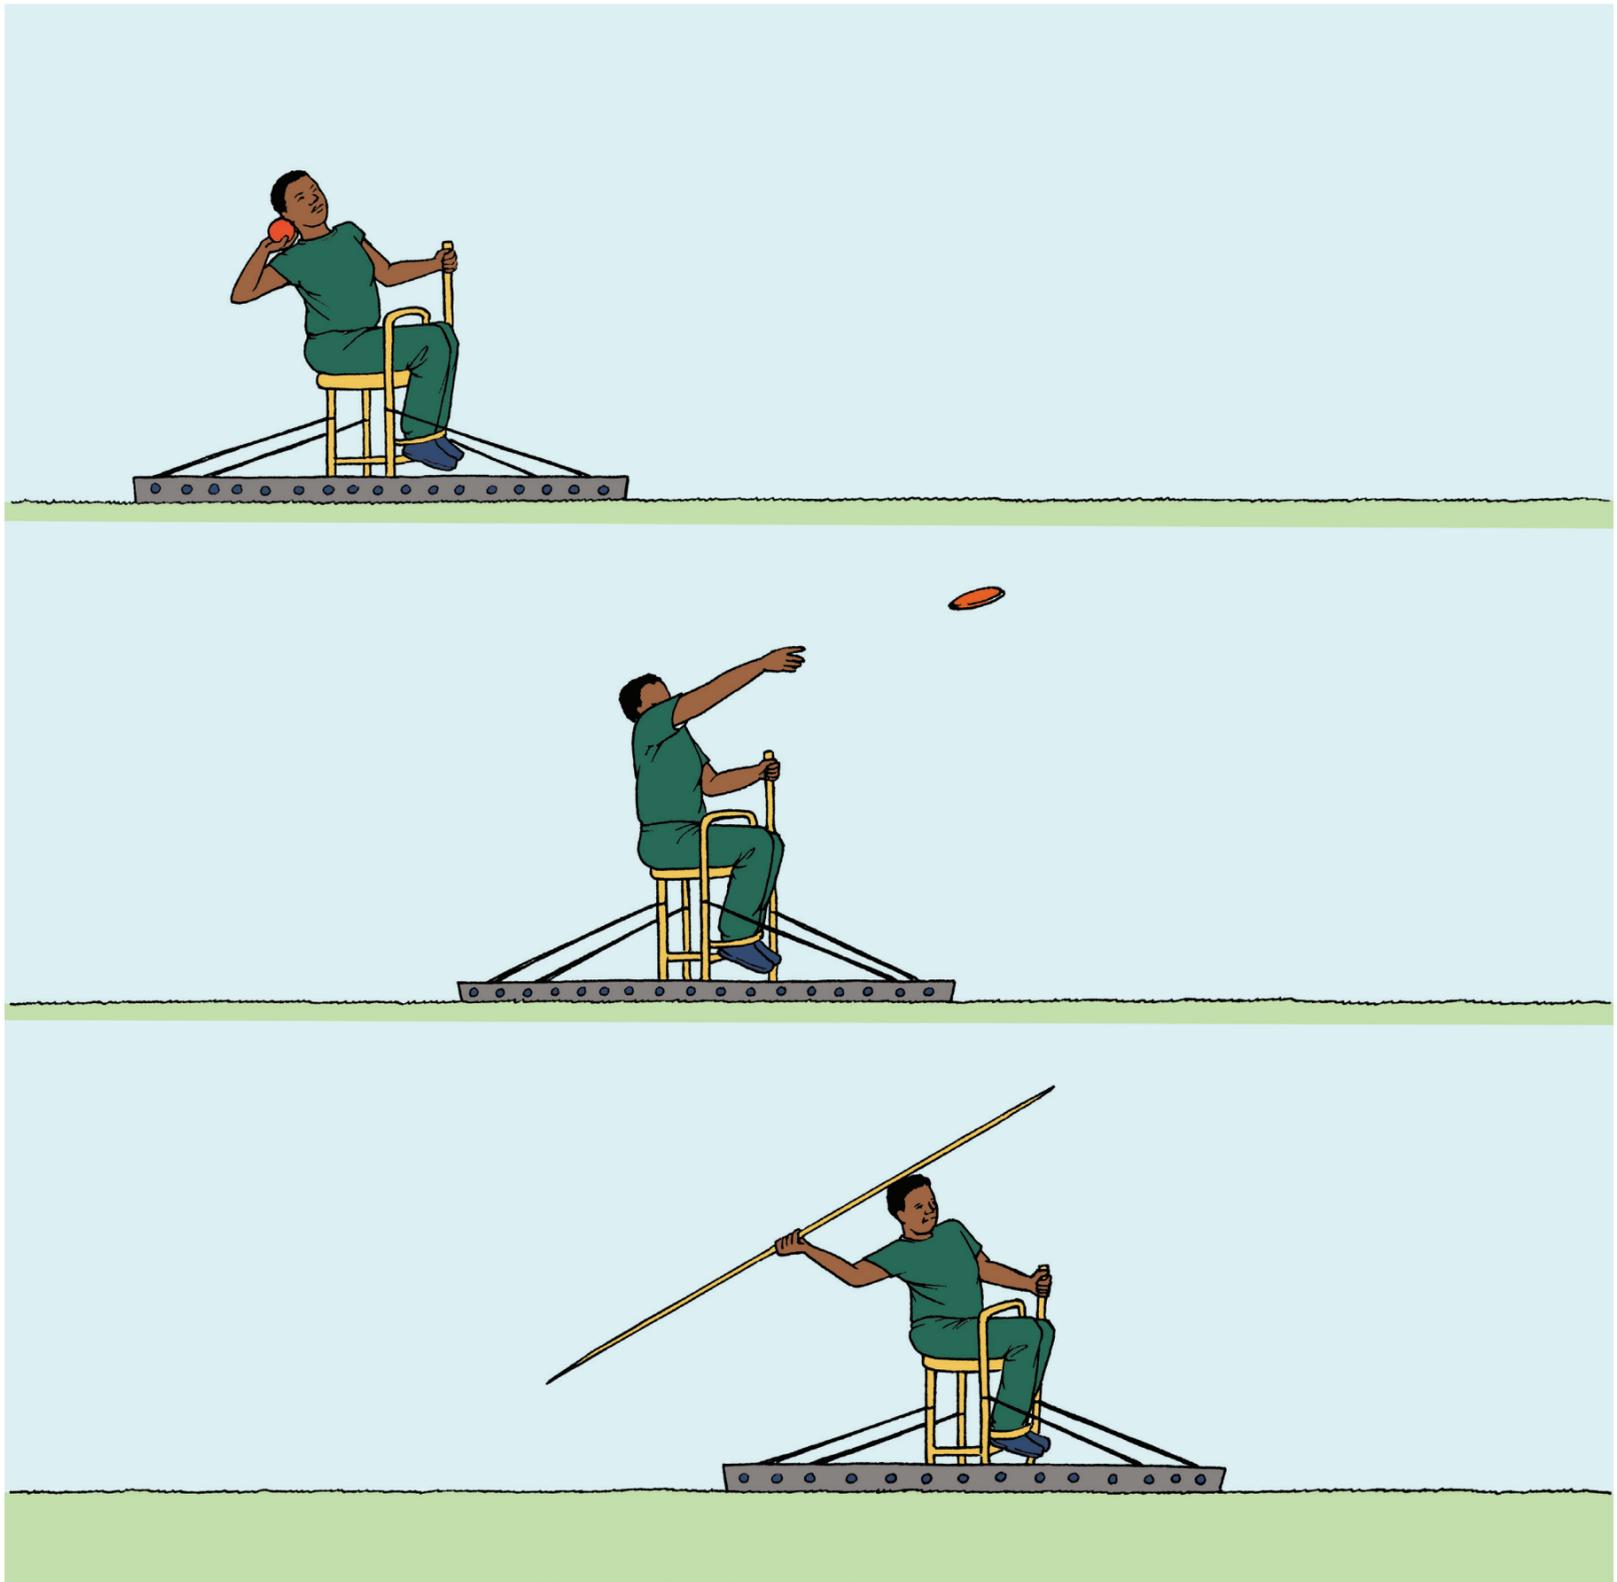

I was eleven years old
when my body got sick.
My legs couldn't move and
I couldn't walk anymore. I
went to the hospital.

The doctors did special tests. One day they said to my parents: “Zanele will never walk again. She must move around in a wheelchair.”

I went to a special school.
I loved sports and the
teachers taught me to play
sports in my wheelchair.

I went to sports competitions and won many prizes. I wanted to be the best so I could go to the Paralympics.

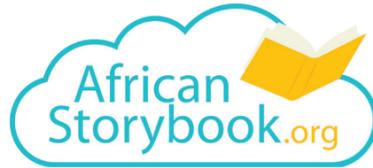

I practised very hard and
I was invited to go to
the Paralympics. I was so
proud to win a gold medal!
